# KONSEPT

The sketch illustrates the idea of having two stages 'coming out' of the container, one from each side, allowing two performances to happen at the same time. So in a way on one stage there could be a music performance and on another a theatre, dance or painting performance that relates to it, creating an 'inter-relation between two forms of art' and allowing to 'Create/perform via live music'.

# 4. PROSESSEN - VERKSTEDET 1

## **Hvorfor trenger vi en kulturarena i sentrum av byen ?**

- En utprøvingsarena for studenter for å undersøke behovet
- Kulturarena for unge utøvere og profesjonelle innen alle kultur- grener - musikk, teater, dans, film, utstillinger, foto
- Lav terskel for å bruke scene
- Det være et positivt tilbud for innbyggerne
- Samarbeid i lokalt kulturliv, et kreativt kaos
- Lokaler til sommerteatret (HUSET)
- Øve seg i å arrangere konserter
- Mangfold av mange kulturer
- Åpen scene, black box, mobil scene
- Kulturelt møtested og visningssted
- Fortellerteater, korte produksjoner og produksjoner over lang tid
- Verkstedlokaler, øvringsrom
- Kultur til folket
- Lunsjkonserter
- Vise fram kulturlivet som finnes i Alta
- Lage mat, selge mat og håndverk
- Noe vakkert
- Fortelle og dele kunnskap gjennom bilder og film
